## ENGAGING THE WORLD IN THE 21ST CENTURY

### Dr. Peter R. Jones

### FEBRUARY 8-10, 2008

*"Beloved, do not believe every spirit, but test the spirits to see whether they are from God, for many false prophets have gone out into the world."*

I. John 4:1 (ESV)

**Dr. Peter R. Jones, Executive Director for Christian Witness to a Pagan Planet**

Dr. Jones is the Scholar in Residence and Adjunct Professor of New Testament at Westminster-California Seminary, at Escondido, California. He holds a MDiv from Gordon-Conwell Theological Seminary, a ThM from Harvard Divinity School, and a PhD from Princeton Theological Seminary.

Dr. Jones grew up in Liverpool, England, and was a close boyhood friend of Beatle John Lennon. He is married to Rebecca Nee' Clowney and together they have seven children and numerous grandchildren.

He and his family came to the U. S. in 1991, after 18 years of cross-cultural mission work on behalf of the Presbyterian Church in America, assisting the theological training of Reformed pastors and church planters in France. It is no exaggeration to say that he played a pivotal role in reenergizing the Huguenot church in that nation.

He taught Greek and New Testament at Princeton Theological Seminary, and was Professur de Nouveau Testament and Director of the Master's Programme, Faculté de Théologie Réformée d'Aix-en Provence, and was Professor of New Testament at Westminster California Seminary from 1991 to 2003.

Among his writings are: *1 Corinthians 15:8 – Paul the Last Apostle*; *The Gnostic Empire Strikes Back*; *Spirit Wars*; *Gospel Truth and Pagan Lies: Capturing the Pagan Mind*, the best-selling *Cracking DaVinci's Code* (co-author); *Stolen Identity: the Conspiracy to Reinvent Jesus*; and *The God of Sex: How Spirituality Determines Sexuality*.

In January 2003 Dr. Jones was named Scholar in Residence and Adjunct Professor at Westminster California Seminary. That same year he launched Christian Witness to a Pagan Planet, an organization dedicated to equipping the Church to bring the good news of the Gospel to an increasingly pagan world.

Dr. Jones plays modern jazz piano and plays golf to a three handicap.
